BATHROOM...
WHERE'S THE BATHROOM?
EH?

HUH?
SFX: BEEP
SFX: CREAK
XIA TIAN!?

HOW MANY TIMES HAVE I WARNED YOU TO STAY AWAY FROM THIS ROOM?
S-SORRY FATHER,
I'VE ONLY MOVED IN FOR ABOUT A MONTH, I DON'T KNOW WHERE EVERYTHING IS YET...
I WAS SLEEPWALKING, I DIDN'T KNOW! I WAS WRONG,
PLEASE I WON'T DO IT AGAIN! FATHER!
SFX: SLAP

AH!
SFX. BANG!
HUH? THIS IS..
!!
SFX. CRASH
A TOWER?

ROUND 6
HUFF
HUFF
THANKS TO THIS GAME,
THE MEMORY OF LONG AGO, I'VE FINALLY REMEMBERED IT,
THE BABEL TOWER WAS ALREADY MADE DURING THAT TIME
HEH, NOT BAD, YOU ACTUALLY ENDURED 6 ROUNDS OF PHYSIOLOGICAL ATTACKS
STOP TRYING, IT'LL MAKE THIS GAME GO FASTER.
I ALREADY KNOW THAT THIS GAME IS BASED ON CALCULATIONS, BUT FROM WHAT I SEEN SO FAR THE PROBABILITY OF WINNING DOES NOT DECREASE WHEN YOU LOSE THE FIRST ROUND
THAT MEANS THERE ARE OTHER METHODS, GAPS IN THE SYSTEM THAT I CAN USE.

ROUND 7 START
20 POINTS
CHANGE THE COLOR OF THE THE FIRST ROW'S LAST BUTTON
!!
IT WORKS!
1000 POINTS
OH, HAS YOUR BRAIN BEEN FRIED?
IF YOU CHANGE THE COLOR OF THE LAST ONE, IT'LL BE EVEN EASIER TO CALCULATE
AS LONG AS IT DOESN'T CHANGE THE RULES IT WORKS AND THAT MEANS,
I CAN CHANGE THE ELEMENTS OF THE GAME!

CHANGE ALL THE BUTTONS FROM 2-D TO 3-D
SFX. SHUA
WHAT ARE YOU DOING?!

YOU PEICE OF SHIT, WHAT TRICKS ARE YOU TRYING TO PULL?!
IF IT'S A BATTLE OF POINTS THEN I CAN EASILY
JUST AS I THOUGHT, THE PEOPLE FROM THE LIGHTNING CONGLOMERATE ALL ACT THE SAME WAY.
ONCE THEY'VE BEEN CORNERED BY AN OPPONENT WITH NO WAY TO DEFEAT THEM,
THEY RELY ON THE FACT THEY HAVE MORE POINTS THAN ANYONE ELSE TO WIN.
SO BORING
YOU DARE MENTION MY SIS....
YOU ARE JUST LIKE LIN MENG AFTER ALL.

WHAT DID YOU SAY?! LIN MENG WAS ONLY A LITTLE CARELESS THAT'S ALL!
FINE, YOU BROUGHT THIS ON YOURSELF! I'LL SHOW YOU THE POWER OF THE LIGHTNING CONGLOMERATE!
HEH!

T/N: Ha ha, just me or does he look like a girl...

So it really did turn out the way I thought it would, my memory is also better when it comes to 3-D objects compared to flat ones...!
Since all the buttons have turned 3-D my speed will be quicker as well, and I won't struggle as much...
But Lin Hao is a different matter
LET'S SEE THE FIRST ROUND EACH ROW HAD 9 AND THEN IF YOU ADD 2+1+2+2 AND THEN CARRY THE 1
SHIT, HE'S REALLY NOT OPENING HIS EYES?
